

taxi firms help to raise local awareness

S-A-G gets together with local taxi drivers to raise local awareness about the existence of the Inverness based Suicide Awareness Group. SAG has launched 2 taxi's in Inverness, 2 in Wick & 2 in Fort William with the SAG logo on the front and sides of the taxi's to try and raise awareness in the Highlands.

This would not be possible without the funding we receive from Choose Life. We would also like to give a Special thanks to Taxi Drivers for coming forward and helping us to Raise Awareness. Also thanks to Acorn Signs Inverness for the Designing of our Logo. And thanks to Angela Fisher choose life coordinator for helping our Group to Raise Awareness in the Highlands
